

### 34 Keduka paper shop -

It is a paper shop that has been run since the late Meiji era. There are Japanese paper, toys, letter sets, etc.

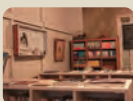

### 35 Naniwa zusi -

It's a famous store of sushi. Take-away only. Please enjoy eating sushi.

### 36 BOOK&Cafe Nazuna -

This shop has a fashionable atmosphere into which a building of Showa early in its stage was remodeled. The pasta lunch is very popular with high school students with a salad, drink and desserts. The owner likes books and cats very much.

### 37 Tamagawanoyu -

This facility is a traditional public bath, burning firewood, which has been followed for about one hundred years. Please get healed by harmonious atmosphere in clouds of steam.

### 38 Koushinnomise -

It is a shop in the immediate vicinity of Uzuma Park. It sells Monjayaki, potato fried yakisoba, traditional sweets and fried potatoes.

### 39 Teahouse BAKU -

A very friendly owner and some regular customers welcome you cheerfully. The original taste of this shop has been running for 42 years. If you eat once, you'll get hooked on. Recommended dish is "Bakuban" cooked with egg, potatoes and ham.

### 40 OODE -

The customers are always welcomed by a friendly shopkeeper. The price is friendly to the students' wallet. Here is the taste you want to enjoy again and again.

### 41 PANDORA -

You can buy without worrying about the cost so much. Fried chicken and kebab are highly recommended.

### 42 NEW GINGER MUSEUM -

Family members, friends, and lovers alike are made so nice and warm all over with ginger power. It's a pinkish museum that everyone can enjoy to the full.

### 43 Bakery Fuji -

This is a bakery where you can drop in casually and can enjoy the homemade taste. It's very popular and all the bread is sold out early in the afternoon. The rusk made with a bread crust is a must. Don't miss it!

### 44 Tochigi Citizens' Activity Promotion Center -

This is a citizens' activity promotion center where active persons gather round. There is also much information about a volunteer. It's called Kurara.

### 45 Carioka -

This shop is the coffee shop which stands in a remote place hidden from the city center. The master is very kind and healing. Would you like to enjoy the atmosphere while studying?

## Event・Experience

### KIMONO

You can wear KIMONO in the events of Movie Festival, UTAMARO Festival and many others. "I don't have KIMONO!" "I don't wear KIMONO!" don't worry! Why don't you walk on KURANOMACHI in kimono!?

## What is THC?

Tochigi Highschool Club (THC) is a group which has been structured by students beyond school framework.

We work on building community on "KURANOMACHI TOCHIGI". We produce various events and manage them.

We introduce nice spots (shops, museums, etc ...) on this map. We hope you will take this map, and enjoy Tochigi City!

### 22 Koedoichiba -

At Koedo ichiba products unique from Tochigi are sold. Here at Iwaiwai koubou, you can study, read books and enjoy eating. Near Koedoichiba is the I FM kurara857 station, and you can see the live of the broadcasting scene. Please come here by all means.

### 23 Tokosya -

You can enjoy carefully selected tablewares, coffee beans and novelties at this store with coffee scent.

### 24 Potari -

Everyone can use this smart space with some fees. We sometimes use this space, too.

### 25 Parlour Tochigi -

It is a wonderful shop where you can enjoy the unique atmosphere of the western style house and the best local dishes. The motto is 'local food production and consumption.'

### 26 wakura cafe -

It is a cafe where you can enjoy a calm atmosphere, sweets and coffee. Green tea tiramisu is a must. Drop by if you are ever around this way.

### 27 FUNAMICHAYA -

If you want to see the unique scenery of Tochigi, it is the only shop where you can eat "curry and dried gourd."

### 28 Tsukada Local History Museum -

You will be surprised at humanoid robots which explain to you attractions of Tochigi City. Please enjoy yourselves!!!

### 29 Yamamotosouhonten -

This shop has been going since Meiji era. You can experience making Japanese confectionery. This shop helps high school students in the tea ceremony club!

### 30 Fujiya -

Well-known store using the bean jam. Enjoy Jiman-yaki! What kind of sweet bean pastes do you like? Chunky or strained?

### 31 Laliguras -

You can enjoy eating real curry and nan. The nan is very big. You can also take out the fragrant and delicious food.

### 32 Usagi syokudo -

A fun shop where your mind and body are warmed up. There are KAIUNHASI and KORAIHASI near the USAGISYOKUDO. The scenery of the UZUMA-river overlooked from there is second to none.

### 33 MORO -

Do you like cool things? Then ... Let's go to MOROcraft. You should be able to enjoy shopping here.

## Recommended spots by local high school students

- 1 Abudenmiso** 

This shop is a long-established Misoya continued from the Edo period. Once inside the shop, and you will be able to feel a good scent of miso.
- 2 cafe Bazzar** 

This is a fashionable café. You can relax whenever you want to. This place used to be a beauty parlour.
- 3 Strawberry wholesaler ICHIGOYA** 

This is a place where you can enjoy quality strawberries throughout the year with its fabulous interior of the building. One of the best choices is chiselled ice with Natsuo-tome syrup. You can purchase various strawberries such as Akaotome and Skyberry. They also deal in local vegetables.
- 4 Spirée fleuriste** 

This shop is on the Reiheishikaido. It is a fashionable florist. They carry colorful flowers. The shop is filled with the scent of flowers. Herbariums are recommended.
- 5 Lydie tells a small lie** 

This shop with a ribbon sign is a fashionable store remodeled from a warehouse. There are many nice and cute miscellaneous goods.
- 6 Sennaritakotei** 

This shop has been loved by high school students for some decades. This shop's kind grandmother and grandfather from Kansai are always welcoming you!
- 7 Tochigi city hall 1F・4F - resident space** 

~ Free of Charge ~  
studying • reading • eating and drinking and so on  
Desks and chairs have been placed in the city hall on 1F and 4F. We can use this space in many ways!
- 8 Nasubi cafeteria** 

The building having a taste of early Showa is here in this attractive area. You can enjoy Tochigi's soul food of Moro fry and strawberries. Lunch, at reasonable price, is good!!
- 9 Goridou Coffee Factory** 

This is a coffee shop that opened after they had renovated a merchant house more than 80 years old. The owner's recommendation is "Mandarin." You can also enjoy seven kinds of coffee, as well as some toast and sweets. The picture on the window of a man drinking a cup of coffee is the landmark.
- 10 Yokoyama Local Hall** 

The most beautiful garden in Tochigi city! Why don't you relax seeing the shop? The best location for taking pictures!!

- 11 Tochigi Kuranomachi-museum** 

It is a museum utilizing the late Edo era warehouses. Art works of Tochigi-city are exhibited.
- 12 KANAHAH Japanese Inn** 

This is a long-established Japanese inn continued from the Edo period. The hostess sells a special bowl of rice with delicacies on top to high school students.
- 13 Nikko Coffee Kuranomachi** 

This is a historical cafe that began in 1999. It was opened in front of Tochigi Float Hall in July, 2018. In a stylish shop into which a Misekura was refurbished, you can enjoy the "original blend coffee" recommended by the store manager and various meals. They especially recommend "Nikko natural ice specially shaved here with Tochiotome" syrup.
- 14 RANTOTSUKI Tochigi** 

This is a specialty store of incense that has the head office in Ashikaga. They make dozens of sorts of incense and incense sticks in the store. "Tsukino kaori" which gives off a delightful scent without being burned is the best!
- 15 Koukoichibankan** 

We can enjoy the atmosphere of Taisho period and the taste of soba in seasonal ingredients and yakisoba with potatoes. Kamonanban soba, or buckwheat noodles in hot broth with duck meat and green onion added, is recommended.
- 16 Tochigi Float Hall** 

You can see "DASHI" which is the festival float, and it has majestic decorations. What breathtaking beauty!
- 17 Warehouse city tourist hall** 

This shop sells Tochigi-city's traditional goods and a lot of cute TOCHISUKE character goods. You may be at a loss what to buy because you want so many goods!
- 18 GELATERIA Sakura** 

This is an Italian Gelato shop! A cute sign board is this shop's trade mark! This shop's standard flavor is milk! It is so sweet!!
- 19 Kitakura cafe Higano** 

You must be attracted by the atmosphere of the warehouse built during the Meiji period!! You can enjoy handmade sweets and dried rice cake.
- 20 Oyama Technical College's satellite campus** 

Tochigi High School Students Club uses this for its general meeting. It is a facility with a calm atmosphere. You can use it for the events. Application is needed.
- 21 Tochigi City Tourism Association** 

I can know various information of Tochigi-city here. Please drop in at association of sightseeing if you want to go around the tourist attraction of Tochigi-city!
